**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic were the only company in my area offering a competitive fiber service as an alternative to the large cable provider. I had to go to cable as dsl was not sufficient for my work as a software engineer - there were no other options before Sonic entered the market.

Before then there were no competitive services.

Say NO to price hikes that will increase the cost of internet and telephone services.
